As the days get longer and a few degrees warmer, we are that much closer to the best day of the year in Ridgewood; **The Fourth of July**. As we enter our 109th year as an all-volunteer, private, non-profit we are hoping this tradition can continue another 100 years in Ridgewood. To make that happen we need your help now more than ever. As security concerns rise, the costs to put together the celebration have increased significantly in the last few years. Our small organization works hard all year long to make sure the Ridgewood Fourth of July a special day for all generations, but we need your support to make this happen year after year.

In addition to helping us continue one of Ridgewood's oldest traditions, we offer unparalleled exposure for your business. The two main events for the Ridgewood Fourth of July; the parade and fireworks, draw well over 5000 spectators to the Village for this special day.

There are many unique advertising opportunities that include signage in the parade, your link on our website, a listing of your business in all our ads and press releases, as well as announcements from the grandstand during the parade and from the stage before the fireworks. Your business will gain this extensive exposure, not only to Ridgewood residents but also neighbors from surrounding towns that come to the Village for the festivities!

The **Ridgewood Fourth of July Celebration** is a remarkable event and we want you to be a part of it! This year our theme is **"All-American Summer."**

Please join our 2019 Fourth of July celebration as we continue to not only *Support the Tradition* but also *Save the Tradition*. Regardless of what you decide, all sponsorships and donations are greatly appreciated. Your support, at any level, assists us in continuing this important day that brings the community together.
